★ Honoring our Local Heroes

THE POTTSTOWN VETERANS' COMMUNITY DAY is a two-fold event: We provide a destination for a day of community togetherness and entertainment for the Greater Pottstown Area within the context of recognizing the service of the veterans' community amidst the war memorials in Pottstown Memorial Park. Proceeds from this event will go to the Veterans' Island Project at Memorial Park and will be used to improve and maintain the WWII and other memorials in the Park.

THE GLASS TEAR HERO AWARD, which is presented at the Community Day Celebration, was created by the Veterans Island Project to honor those local patriots who answered the call when their country needed them; who returned home and served as an example to others of what it means to live a life of honor and respect for both your community and country. The awarding of the Glass Tear is the centerpiece of our Veterans' Community

Day celebration to help celebrate a duty well served and a life well lived. The Award is designed and donated by Randy Doaty.

This year **THE POTTSTOWN VETERANS' COMMUNITY DAY** takes place on Sept 28th at 11AM at the Vietnam Veterans Memorial where we will be honoring 3 of our local heroes who have served their country. In addition, we will honor all veterans present at the ceremony with a token of appreciation from the Veterans' Island Project and the community. Afterwards we will proceed to the pavilion on the Island where the American Legion Auxiliary Post 602 will be serving food. Guests will have the opportunity to talk with our vets and thank them for their service.
